Dear Colonel Arnold,

thank you very much for attending this year's Capital Commanders Conference (CCC). I am pleased that we commanders had the opportunity to meet and exchange ideas in person.

Although the number of participants was small, I felt it important to revive the tradition of this conference with the meeting in Berlin and after the pandemic.

I hope to seeing you again at the latest at the next CCC, which is planned for May 2023, and am already looking forward to the conference.

Best regards

Uchmann
